No.R.O.C.1654/46. Dated, 31/7/47.

Sir,

Sub : Children Act - Junior Certified School, Bellary - Purchase of Scientific Materials in 1944 - admission of the claim in 1947/48 -

1 Science articles to the value of Rs.15/12/- were supplied by the Andhra Scientific Co., Ltd., Madras, to the Junior Certified School, Bellary, in 1945. It is seen from the School records that the articles were brought to stock but that no payment was made, apparently for want of the bill.

2 In February 1946, the Andhra Scientific Co., reminded the Headmaster regarding the settlement of their claim. Thereupon the Headmaster, obtained a duplicate bill for Rs.15/12/-.

3 The question of payment was referred to the Accountant-General, Madras as it involved pre-audit. The Accountant-General said in reply that as the claim remained in abeyance for over three years, the sanction of Government was necessary in regard to its entertainment and the preaudit of the bill.

4 In the meantime, it was ascertained by the Headmaster, that the delay on the part of the suppliers to point out the outstanding was due to the reorganization of their accounts branch at Masulipatam and in Madras.

5 The Headmaster also reports that no payment appears to have been made.

6 In the circumstances, I request that, under Article 54, M.F.C. Vol.I, sanction may be accorded to the payment of the sum of Rs.15/12/- after getting the bill preaudited by the Accountant-General.

The Bill is enclosed for reference and return.
